3. When on the cross you said, "It is finished"
You battled death then you rose on high
Came back to tell us you will return for us
In heav'n prepared a place for us
In heav'n prepared a place for us

4. When this life's over I shall not fear death
for Satan's pow'r can not hold the grave
I'll rise in glory to see my Savior
And kneel before your mighty throne
And kneel before your mighty throne
